PROFESSIONAL EXPERIENCE

Model

KULT MODELS

Apr 2010 – Dec 2017

I've worked with fashion brands that include Hugo Boss, Esprit, Camp David, Zalando and many other successful companies while modeling in Germany. I've worked in a professional environment directly with clients and teams to ensure the brand is represented according to the values and esteem recognised by the public and its clients. Working on set or location often traveling for work my responsibilities include being ridiculously good looking and always having a positive smile and attitude. Often providing creative feedback and ensuring the clients are always happy good communication and people skills are a necessity.

Photographer

SELF-EMPLOYED

Mar 2015 – Jun 2018

I created a small company that specialised in Fashion and Portrait Photography. Shooting often required being on location and in the studio using flash. Workflow included Adobe Creative Suite, retouching and colour grading. Also doing online material and marketing videos for clients. Editing and Colour Grading using DaVinci Resolve.

Sale Representative

PHILIP MORRIS INTERNATIONAL

Jan 2009 – Feb 2010

Philip Morris International Inc. is an American multinational cigarette and tobacco manufacturing company, with products sold in over 180 countries outside the United States. My responsibilities included the sales and distribution of all tobacco related products. Maintaining client, brand relationships and prospecting new clients into the established client portfolio.
